Kwik Fill Launches "Operation Give Thanks"

Warren, PA – United Refining Company of Pennsylvania, doing business as Kwik Fill® / Red Apple Food Marts®, has launched its fifth annual "Operation Give Thanks" fundraising campaign. This company, customer, and vendor supported fundraising program aids active-duty service members, veterans, and their families raised over $417,000 in 2025. "Operation Give Thanks" will again run from November 1 through November 30th with customers making donations at any store. Kwik Fill will also commit a portion of the sale of every gallon of gasoline and diesel fuel that customers purchase from November 11th (Veterans Day) through November 30th to the campaign.

The combination of customers' direct donations along with the amount committed by Kwik Fill from fuel sales will be donated to Allegheny Valley Veterans Center (a housing facility for homeless veterans serving eight counties in northwestern PA), Special Forces Trust (dedicated to taking care of our Special Forces Soldiers and their families), and Operation Homefront (a national charity that will direct funds to recipients in the Kwik Fill market area). Customers will be able to make additional donations directly through the "Operation Give Thanks" site at www.operationgivethanks.com. Once again, this year Kwik Fill will be selling a special coffee mug as part of the program. This mug entitles purchasers to free coffee through November with the proceeds of mug sales going to "Operation Give Thanks".

Beth Caldwell, Assistant VP for Kwik Fill said, "As we proudly begin our fifth year of Operation Give Thanks, our commitment to giving back to those who serve, have served, and their families, remains stronger than ever. Thanks to the continued support of our employees, vendors, and customers, we're hopeful to make this our most impactful year yet!"

Since the program's inception in 2022, "Operation Give Thanks" has raised over $1,000,000 in total funds to support our military and veteran communities.
